Amharic and English

Musa Kemal Surur

OBJECTIVE

I am Musa kemal, a dedicated graduated with a Bachelor's degree in Agricultural Economics from Werabe University. Through my active involvement in the National voluntary service, I have developed strong discipline, teamwork and communication skills. I possess a comprehensive understanding of sustainable farming techniques, resources optimization and Economics analysis. My goal is to apply my analytical abilities to enhance Agricultural productivity and profitability. I am passionate about contributing to the development of efficient and sustainable Agricultural Systems.
